*Customers Who Use Select Zone 4 Stations Can Purchase A Key Card With a Weekly or Monthly TrailPass;
All Existing Fare Products Still Accepted During This Phase*

PHILADELPHIA (August 28, 2018) – SEPTA is expanding the Regional Rail “Early Adopters” Program to include Weekly TrailPasses for customers who use selected Zone 4 Stations. This follows the launch of Monthly TrailPasses on Key Cards for Zone 4 customers in August.

The Early Adopters phase allows SEPTA to begin sharing the benefits of the Key with Regional Rail riders while work continues on system-wide implementation. All existing fare products, including magnetic stripe TrailPasses and paper tickets, will continue to be accepted until further notice.

SEPTA Key Cards Loaded with Weekly Zone 4 TrailPasses will be available for purchase at the five Center City Regional SEPTA Sales Offices on Wednesday, Aug. 29, for the week beginning Monday, Sept. 3. Monthly Zone 4 TrailPasses on SEPTA Key Cards for September can also be purchased on a new card or reloaded onto an existing card at the Center City sales offices.

Customers who use the stations listed below on the Lansdale/Doylestown, Paoli/Thorndale, Trenton and West Trenton Lines are eligible to participate in the Zone 4 Early Adopters program:
